

**MICROSOFT RESEARCH DATA LICENSE AGREEMENT
FOR
MICROSOFT RESEARCH WIKIQA CORPUS**

These license terms are an agreement between Microsoft Corporation (or based on where you live, one of its affiliates) and you. Please read them. They apply to the data associated with this license above, which includes the media on which you received it, if any. The terms also apply to any Microsoft:

- updates,
- supplements,
- Internet-based services, and
- support services

for this data, unless other terms accompany those items. If so, those terms apply.

BY USING THE DATA, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THEM, DO NOT USE THE DATA.

If you comply with these license terms, you have the rights below.

1. SCOPE OF LICENSE.

a. You may use, copy, modify, create derivative works, and distribute the Dataset:

- i.** for research and technology development purposes only. Examples of research and technology development uses are teaching, academic research, public demonstrations and experimentation; and
- ii.** to publish (or present papers or articles) on your results from using such Dataset.

b. The data is licensed, not sold. This agreement only gives you some rights to use the data. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the data only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the data that only allow you to use it in certain ways.

You may not

- work around any technical limitations in the data;
- reverse engineer, decompile or disassemble the data, except and only to the extent that applicable law expressly permits, despite this limitation;
- rent, lease or lend the data;
- transfer the data or this agreement to any third party; or
- use the data directly in a commercial product without Microsoft's permission.

2. DISTRIBUTION REQUIREMENTS:

- a.** If you distribute the Dataset or any derivative works of the Dataset, you will distribute them under the same terms and conditions as in this Agreement, and you will not grant other rights to the Dataset or derivative works that are different from those provided by this Agreement.
- b.** If you have created derivative works of the Dataset, and distribute such derivative works, you will cause the modified files to carry prominent notices so that recipients know that they are not receiving

the original Dataset. Such notices must state: (i) that you have changed the Dataset; and (ii) the date of any changes.

- 3. DISTRIBUTION RESTRICTIONS.** You may not: (a) alter any copyright, trademark or patent notice in the Dataset; (b) use Microsoft's trademarks in a way that suggests your derivative works or modifications come from or are endorsed by Microsoft; (c) include the Dataset in malicious, deceptive or unlawful programs.
- 4. OWNERSHIP.** Microsoft retains all right, title, and interest in and to any Dataset provided to you under this Agreement. You acquire no interest in the Dataset you may receive under the terms of this Agreement.
- 5. LICENSE TO MICROSOFT.** Microsoft is granted back, without any restrictions or limitations, a non-exclusive, perpetual, irrevocable, royalty-free, assignable and sub-licensable license, to reproduce, publicly perform or display, use, modify, post, distribute, make and have made, sell and transfer your modifications to and/or derivative works of the Dataset, for any purpose.
- 6. FEEDBACK.** If you give feedback about the Dataset to Microsoft, you give to Microsoft, without charge, the right to use, share and commercialize your feedback in any way and for any purpose. You also give to third parties, without charge, any patent rights needed for their products, technologies and services to use or interface with any specific parts of a Microsoft dataset or service that includes the feedback. You will not give feedback that is subject to a license that requires Microsoft to license its Dataset or documentation to third parties because we include your feedback in them. These rights survive this Agreement.
- 7. EXPORT RESTRICTIONS.** The Dataset is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the Dataset. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.
- 8. ENTIRE AGREEMENT.** This Agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the Dataset.
- 9. SUPPORT SERVICES.** Because this data is "as is," we may not provide support services for it.
- 10. APPLICABLE LAW.**
 - a. United States.** If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.
 - b. Outside the United States.** If you acquired the software in any other country, the laws of that country apply.
- 11. LEGAL EFFECT.** This Agreement describes certain legal rights. You may have other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the Dataset. This Agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
- 12. DISCLAIMER OF WARRANTY.** The Dataset is licensed "as-is." You bear the risk of using it. Microsoft gives no express warranties, guarantees or conditions. You may have additional consumer rights or statutory guarantees under your local laws which this agreement cannot change. To the extent permitted under your local laws, Microsoft excludes the implied warranties of merchantability, fitness for a particular purpose and non-infringement.
- 13. LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES.** YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. \$5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to

- anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and

- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.
